HERBST BROTHERS

92 WARREN ST., NEW YORK, N. Y.

# Terms

This list cancels all previous offers.

**Disclaimer:** We give for ourselves or our Principals no warranty, express or implied, as to the description, quality or productiveness, or in any other respect for the seed we deliver, nor will we be responsible for the crop in any way. In no case shall we or our Principals be held liable for more than the invoice value of the seed sold.

**Prices**—are f.o.b. New York.

**Weights**—net, packing extra at cost.

**Payment:** Our prices are calculated on a strictly cash basis; customers remitting with their orders will be allowed 5% discount except on Grass Seed, Fertilizers and Books, which are quoted net. No charge accounts opened under \$10. **When remitting please add for postage and packing.**

**We do not sell quantities smaller than those indicated.**

**Explanation of Signs:** C.S.—Clean Seed. D.B.—Dried Berries.

| <b>H. B. Finest Select</b> .....                                                                                                                                                                                          |  | 36c lb.          | \$35.00      |
| An approved formula of Red Top, Blue Grass, Fescue and Bent Grass without Rye Grass or White Clover.                                                                                                                      |  |                  |              |
| <b>H. B. High Grade</b> .....                                                                                                                                                                                             |  | 31c lb.          | \$30.00      |
| A fine mixture of Fescues, Red Top, Blue Grass and Rye Grass without White Clover.                                                                                                                                        |  |                  |              |
| <b>H. B. Landscape Special</b> .....                                                                                                                                                                                      |  | 26c lb.          | \$25.00      |
| A special mixture for landscape work where large areas are to be planted. The mixture consists of Fine Grasses with sufficient domestic Rye and Timothy to insure quick growth and prevent unsightly erosion.             |  |                  |              |
| <b>H. B. Standard</b> .....                                                                                                                                                                                               |  | 20½c lb.         | \$19.50      |
| Recommended for general work where a good tough permanent lawn is required. This mixture contains White Clover.                                                                                                           |  |                  |              |
| <b>H. B. Choice Shady</b> .....                                                                                                                                                                                           |  | 37c lb.          | \$36.00      |
| Contains a high percentage of Poa trivialis and Fescues blended with smaller quantities of Red Top and Blue Grass and fast growing domestic Rye Grass which insures a protective cover while the choicer sorts germinate. |  |                  |              |
| <b>H. B. Regular Shady</b> .....                                                                                                                                                                                          |  | 29c lb.          | \$28.00      |
| We highly recommend this mixture. The formula contains all the ingredients of our "Choice Shady", but is so blended as to insure a somewhat quicker initial growth.                                                       |  |                  |              |

### FERTILIZERS & ETC.
